happy garden days

**CATALOGUE 2017-2018**

Boost your garden or terrace with an explosion of colours with Colorita®. Colorita® is available in seven bright colours, flowering continuously from spring until late autumn. For USA: all Colorita® varieties are well suited for growth between USDA hardiness zone 6 (for cold tolerance) and zone 9 (for heat tolerance and drought resistance)\*\*.

These plants are very easy to maintain; please visit [www.colorita.eu](http://www.colorita.eu) for further Colorita® information.
