# Colorita<sup>®</sup>

Boost your garden or terrace with an explosion of colours with Colorita<sup>®</sup>. Colorita<sup>®</sup> is available in seven striking colours, flowering continuously from spring until late autumn. For USA: all Colorita<sup>®</sup> varieties are well suited for growth between USDA hardiness zone 6 (for cold tolerance) and zone 9 (for heat tolerance and drought resistance).

# Garden Jewel<sup>®</sup>

Pick your own flower bouquet from your garden! A continuation from the garden trend 'Wild gardening' is 'Growing your own'. Creating your own cutting patch will also open up a whole new world of flowers you can use for arranging, blooms with wonderful scents and let your creativity come out. Garden Jewel<sup>®</sup> of Royal Van Zanten is a selection of Alstroemeria varieties to grow in your own garden and creating a wonderful bouquet from the cut-flowers.
