2019/2020

**Royal Van Zanten**

driven by passion

Show  
makers®

# Aster

The Royal Aster Showmakers series are compact growing, rich flowering and good branching plants which are available in the most intense colours. With these Aster series you can rely on plants that meet the high standards for quality that we set for our products at Royal Van Zanten.

# Celosia

Plants that are irresistibly attractive, have perfect quality, are easy to maintain and flower for a very long period: this is where our Celosias stand out. With an attractive package and a striking presentation they are an all-time favourite for retailers and consumers.

# Multiflora

Multiflora offers an exciting product that will enable consumers to continuously enjoy their gardens in autumn when the spring baskets have lost their splendour. Our Multiflora varieties are available in many different colours, these can be used for single coloured or mixed coloured arrangements for a spectacle of colours in autumn.
